In paragraph 2 (*a*) (i) of G.O. No. 1394, Education, dated the 17th June 1938, the Government laid down that Hindustani teachers should have a general educational qualification not lower in standard than that of a completed Secondary School-Leaving Certificate, entitling the holder to undergo a university course. It has been represented to Government that this affects adversely those who had already qualified themselves in Hindi only and that it is not really necessary to insist on the general educational qualification for teachers of Hindustani. The qualifications for Hindustani teachers laid down in the Government order referred to above will be revised as shown below :—

(i) a knowledge of both Nagari and Urdu scripts,

(ii) ability to give instruction in the language of the district in which he will be employed,

In recruiting Hindustani teachers in future, preference shall be given to those who possess the training diploma but where they are not available, others may be recruited subject to the condition that they shall obtain the diploma in two years after appointment.

2. From the President, Hindustani Premi Mandal, Chittoor, dated the 2nd May 1947.

From the Director of Public Instruction, dated the 6th August 1947, No. 884-G-2/47.

Order—No. 1930, Education, dated 3rd September 1947.

Under the existing orders, Hindustani teachers already in service who do not possess the Hindi Pracharak Diploma should undergo training and obtain the diploma within two years. It has been represented to Government that teachers who had already served for a certain number of years and have gained experience in teaching the language may be exempted from undergoing training and obtaining the diploma. The Government have

considered the suggestion and have come to the conclusion that it would be sufficient if teachers who were recruited to the service prior to 9th June 1939 are exempted from possessing the training diploma as it has already been laid down that in selecting persons for appointment as Hindustani teachers from 9th June 1939 preference should be given to candidates holding a training diploma.

2. The first sentence in the last sub-paragraph of paragraph 1 of G.O. No. 2098, Education, dated the 2nd November 1946, will accordingly be modified as follows :—

"Teachers who were appointed in recognized schools on or after 9th June 1939 and who do not possess the Hindi Pracharak Diploma shall undergo training and obtain the diploma in two years."

To

The Hon'ble Minister for Education,
Government of Madras, MADRAS.

Sir,

Kindly permit me to bring to your notice certain of the hardships under which the Hindustani Teachers and Pandits of various institutions and Private Pracharaks of this province are suffering.

Foremost of them is the recent G.O. No. 1754 Edn. and Ph. dated 11-9-46 making it compulsary for all Hindustani Teachers and Pandits to undergo 'Pracharak' training at their own expense for a period of 3 months before they can be treated as eligible for confirmation.

It is to be noted that there are many teachers and Pandits in service ranging from 2 to 20 years. There are several enthusiastic and self-sacrificing 'Visarad' degree holders called 'Pracharaks' who had been conducting Hindustani classes privately under the Supervision and maintainance of the D.B. Hindi Prachar Sabha, Madras with a teaching Experience of nearly 5 to 20 years. There are a number of Hindustani Pracharaks, Teachers and Pandits who attended the summer classes and refresher courses being conducted by the D.B. Hindi Prachar Sabha Madras by whom they received requred and proper instructions both in Theory and Practice as is being received now in the D.B. Hindi Prachar Sibir, Madras and ~~possessed~~ obtained certificates also for the purpose.

Besides, the D.B. Hindi Prachar Sabha, Madras has issued certificates called 'Pramanic Pracharaks' 'A & B' to experienced Pandits and Pracharaks and recognised them as being fit to teach and train pupils up to 'Visarad' degree.

In these circumstances it looks strange, very unreasonable and unnecessary that Pandits and Pracharaks who have put in more than, say 5 years of service in teaching should be asked to undergo further training for three months at their own cost in these days of economic distress.

This will certainly not add to their experience but will only put them to inconvenience and hardships. It is so very difficult to get any kind of Hindustani Teachers for running schools private or Public. The insistance of training will further deplete the ranks of persons available for that post.

I would like to bring to your notice the G.O. No. 888 Law and Edn. Dated 17-3-26 a copy of which is herewith enclosed under which Pandits and Munshis of regional languages who were appointed before 1-7-26 were exempted from undergoing further training or possessing extra qualifications. A similar concession may also be given to Hindustani Teachers, Pandits and Pracharaks mentioned above who were appointed on or before a particular date, say 1 to 5 years as the government may deem fit or make proper arrangements to depute these Teachers, Pandits and Pracharaks to undergo 'Pracharak' training at the expense of the government and various Managements concerned as otherwise number of qualified but untrained Hindustani Teachers will be thrown out of their present jobs and consequently there will be a set back to the teaching of Hindustani.

4

The last Congress Ministry while introducing Hindustani teaching in High Schools fixed the pay of Hindustani Teachers at Rs. 30/- per mensum. By considering the high cost of living at Present, the pay of the said teachers and Pandits must be placed on a level with the revised pay of the regional language Pandits.

~~Please~~ Be aware of the fact that these Pandits are playing a dual role. Besides teaching a language that is considered the lingua franca of India they promote unity in the country by linguistic uniformity. Many of them suffered imprisonment, lost property, devoted their whole life for this national cause and have not taken to other profitable lines of employment because of their devotion to Hindustani.

There are some who have undergone 'Hindustani Pracharak' training in the Hindustani Prachar Sabha, Wardha. They also must be exempted from the operation of the G.O. mentioned above.

It is unnecessary to mention that Hindustani must be introduced as a compulsary and an Examination subject in all the Middle and High Schools of the Province, otherwise the spread of Hindustani will not be effective and the money spent in this direction will have not achieved the desired results.

So I earnestly hope the present Propular People's Government will consider all the points urged by me and by acceeding to my request give a fillip to the cause of Hindustani and its spread and progress in the Province.

Chittoor,

Secretary, E. & P.H.

I understand that there are many teachers with Visharad qualification who are not Pracharaks and they have been asked by a recent G.O. to become Pracharaks within a period of two years. They say that they have put in service, some of them from ten to seventeen years and it is hard for them to go for Pracharak training again. There is some force in that contention. Ithink exemption may be given to men who have passed III Form and passed Visharad Examinations in Hindi if they had served continuously in any ~~local board or under Government~~ high school as Hindi Teachers for not less than seven years.

2. Attention is invited to G.O.No.1303, Edn., dated 9--6--39 wherein it was stated that para 1 of the orders, viz., - that preference should be given to candidates holding training Diploma of the Dakshina Bharat Hindi Prachar Sabha or any other equivalent thereto over those who passed only Rashtra Bhasha Visharad or its equivalent - would not affect the existing Hindustani teachers, if they were qualified according to the orders which were in force up to that date. The suggestion of the Hon'ble Minister for Education that Hindi teachers with not less than seven years service may be given exemption from possessing Pracharak Diploma is, therefore, in consonance with the orders in para 2 of G.O.No.1303, Education, dated 9--6--1939.

3. Regarding the possession of III Form qualification by these Hindi teachers to be eligible for the said exemption, attention is invited to G.O.No.Ms. 2098, Edn., dated 2--11--46 wherein this requirement has been deleted. In view of this, III Form qualification need not be laid down now as a condition for the grant of exemption.

I, therefore, suggest the following modification to the provisions of G.O.No.Ms.2098, Edn., dated 2--11--46:

For the words "Teachers already in service" occurring in the last sub-para of para 1 of G.O.No.Ms. 2098, Edn., dated 2-11-46, the following may be substituted - "Teachers who were appointed in recognised Secondary Schools on and after 9-6-39 (the date of issue of G.O.No.1303, Ms.Edn) and".
